SECURITIES AND EXCHANGE COMMISSION
(Release No. 34- 75357; File No. SR-NYSEARCA-2015-53)

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the NYSE Arca Options Fee Schedule to Discontinue Certain Fees

July 2, 2015

Pursuant to section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on June 30, 2015, NYSE Arca, Inc. (the “Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE Arca Options Fee Schedule (“Fee Schedule”) to discontinue certain fees. The Exchange proposes to implement the fee change effective July 1, 2015. The text of the proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to discontinue certain fees as described below. The Exchange proposes to implement the fee change effective July 1, 2015.

The Exchange proposes to discontinue fees for certain Manual transactions in options overlying IWM (the iShares Russell 2000 ETF).⁴ In April 2015, the Exchange implemented special pricing for IWM to encourage increased Manual trading in the product and to offset losses of Manual transactions associated with options in the iShares Russell Index (RUT), which is exclusively trading on another venue.⁵ The Exchange does not believe that the special pricing in IWM has achieved its intended objective of attracting additional volume.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁶ in general, and furthers the objectives of sections 6(b)(4) and (5) of the Act,⁷ in

⁴ The Commission notes that as described further below, the special pricing for Manual transactions in options overlying IWM is being discontinued, which will result in Manual transactions in all symbols being subject to the same pricing.

⁵ See Exchange Act Release No. 74694 (April 9, 2015) 80 FR 20273 (April 15, 2015) (SR-NYSEArca-2015-28). Specifically, the Exchange offered volume discounts for manual transactions in IWM to NYSE Arca Market Makers, Firms and Broker Dealers. As is the case today, Customers (including Professional Customers) are not charged for manual transactions in IWM. There is currently no Lead Market Maker in IWM and, therefore, no LMM will be impacted by this proposed fee change.

particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Exchange believes the proposed fee change is reasonable and equitable because the discontinuance of the special pricing for Manual transactions in IWM will result in Manual transactions in all symbols being subject to the same pricing. The Exchange further believes the proposed rule change is equitably allocated and not unfairly discriminatory because it treats similarly situated market participants in the same manner.

For these reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with section 6(b)(8) of the Act,⁸ the Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues. In such an environment, the Exchange must continually review, and consider adjusting, its fees and credits to remain competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

⁷ 15 U.S.C. 78f(b)(4) and (5).

⁸ 15 U.S.C. 78f(b)(8).

The foregoing rule change is effective upon filing pursuant to section 19(b)(3)(A)⁹ of the Act and subparagraph (f)(2) of Rule 19b-4¹⁰ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under section 19(b)(2)(B)¹¹ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
